

GoldCare Live at Three New Schlegel Villages Sites

Waterloo, Ontario – 17 August 2017 – GoldCare, market leader in healthcare management software, congratulates our long-standing customer, Schlegel Villages.

Schlegel Villages recently expanded their footprint with GoldCare, successfully going Live with GoldCare's LTC solution, Resident Administration Manager, at three of its new facilities: [Pinehaven Nursing Home](#), [Maynard Nursing Home](#), and [Hamilton Continuing Care](#).

GoldCare's Resident Administration Manager includes robust features and extensive reporting capabilities to support every aspect of managing long-term and aged care, retirement, assisted living, and independent living unit facilities—from resident, staff and volunteer information to clinical, documentation and back-office financial management.

"Schlegel Villages has been a trusted partner to GoldCare for over two decades," states Paula Hucko, GoldCare President. "We congratulate them on their most recent implementations of GoldCare, and appreciate their loyalty and commitment to leveraging their investment in the solution."
